

Debbie sees floral design as a synthesis of her passions: Art, Design, and Nature. Debbie was formally trained in the fine arts and Majored in painting at Brandeis University

Debbie realized that if she could sketch her floral designs, she could arrange them. Therefore, she would 'visualize" the finished arrangement, sketch it, and then that would guide her.

Debbie is a pas President of the Beth Shalom Garden Club, has won multiple first place ribbons at the New England Spring Flower Show, has exhibited at the Museum of Fine Arts- Art in Bloom, the Harvard Peabody museum of Natural History and even had one of her designs published in a Floral Magazine.

Debbie has her own custom floral design business called Debra Kraft Floral Design where she specializes in floral arrangements for the home and for large special events. She lives in Westwood with her husband, two sons, and their dog- Cooper.
